ABOUT MOTHEO TVET COLLEGE

Motheo TVET College is a leading Technical and Vocational Education and Training institution located in Bloemfontein, Free State, serving the Motheo and Xhariep districts. The college offers comprehensive technical education across multiple campuses, providing students with industry-relevant skills and qualifications aligned with South Africa's economic needs.

With three main campuses and satellite locations in Botshabelo, Zastron, and Koffiefontein, Motheo TVET College welcomes applications from aspiring technicians, engineers, and business professionals seeking quality vocational training for 2026.

Applications to Motheo TVET College for the 2026 academic year typically follow this timeline:

Main Intake (January/February 2026): Applications open early in the preceding year. Early application is strongly recommended to secure preferred programme placements.

Mid-Year Intake (July 2026): Selected trimester-based Engineering programmes accept mid-year applications around April to June 2026.

Application dates for each intake period are published on the official Motheo TVET College website. Monitor updates closely and submit well before closing dates to avoid missing out.

FEES

Tuition fees at Motheo TVET College for the 2026 academic year are estimated as follows:

NCV Programmes: Approximately R3,500 to R12,000 per annum, depending on the course and level of study.

Registration Fee: R240 to R300 (non-refundable), payable upon acceptance.

There is no application fee to apply to Motheo TVET College. Fees can be paid in instalments, and payment plans are available for qualifying students. Students who qualify for NSFAS funding are not required to pay tuition fees upfront. Contact the college directly for the confirmed 2026 fee schedule.

ADMISSION REQUIREMENTS

Admission requirements at Motheo TVET College vary by programme level:

NCV Level 2: A minimum of Grade 9 (Senior Phase) completion is required.

Report 191 N1–N3 (Engineering): A minimum of Grade 9 with passes in Mathematics and Physical Science.

Report 191 N4–N6 (Business): A Grade 12 / National Senior Certificate (NSC) or equivalent.

All applicants must complete the Profiler System assessment and Pre-Entry folder to determine programme suitability. Required documents include certified copies of your ID, latest academic results, and proof of residence.

Motheo TVET College is a registered NSFAS service provider, enabling eligible students to access government funding through the DHET TVET Colleges Bursary Scheme. If your combined household income is R350,000 or less per year, you may qualify for full NSFAS funding covering tuition fees, learning materials, and transport or accommodation allowances.

How to apply for NSFAS:

Visit my.nsfas.org.za and create a myNSFAS account. Complete the online application with your personal, financial, and academic details. You can apply for NSFAS before or after receiving your Motheo TVET College acceptance. The college's financial aid office can assist with your NSFAS application.

CAMPUS LOCATIONS

Motheo TVET College operates three main campuses and several satellite centres across the Free State:

Bloemfontein Campus – Business and Utility Studies, 94 St Georges Street, Bloemfontein

Thaba’Nchu Campus – Engineering, Business, and Utility Studies

Hillside View Campus – Engineering Studies, Bloemfontein

Satellite Centres: Botshabelo, Zastron, and Koffiefontein

All campuses are equipped with modern facilities, computer labs, and practical training centres to support hands-on learning.

HOW TO APPLY

Follow these steps to apply to Motheo TVET College for 2026:

Step 1: Visit the Motheo TVET College website and access the online application portal (Coltech system).

Step 2: Register for an account and complete your profile with personal details.

Step 3: Complete the Profiler System assessment and Pre-Entry folder.

Step 6: Submit your application. You will receive a reference number for tracking your application status.

Applications are processed exclusively online. There is no application fee.
